- **Austrian Federal Competition Authority (BWB) requests review of antitrust decision issued against STRABAG**

Vienna, 28 July 2022      On 21 October 2021, the Vienna Higher Regional Court (OLG), sitting as the Cartel Court, issued a final decision in the antitrust proceedings against STRABAG AG and F. Lang u. K. Menhofer Baugesellschaft m.b.H & Co. KG. The Federal Competition Authority is now requesting a review of this decision.

The Management Board considers the request to be without merit, as STRABAG cooperated fully and continuously with the Federal Competition Authority under a leniency agreement. STRABAG's cooperation contributed significantly to the investigation, and it was the first company to end the antitrust proceedings against it with a final decision. Moreover, STRABAG moved to enhance its compliance system in response to the matter and implemented a novel monitoring system.

**STRABAG SE** is a European-based technology partner for construction services, a leader in innovation and financial strength. Our services span all areas of the construction industry and cover the entire construction value chain. We create added value for our clients by our specialised entities integrating the most diverse services and assuming responsibility for them. We bring together people, materials and machinery at the right place and at the right time in order to realise even complex construction projects – on schedule, of the highest quality and at the best price. The hard work and dedication of our approximately 74,000 employees allow us to generate an annual output volume of around € 16 billion. At the same time, a dense network of numerous subsidiaries in many European countries and on other continents is helping to expand our area of operation far beyond the borders of Austria and Germany.
